

# SmartHub is now available to members!

As a Touchstone Energy® cooperative that is committed to innovation, Capital Electric Cooperative is pleased to introduce a new, online system called SmartHub, which includes a new online account (replaces our current "eBill") as well as mobile applications for Android and IOS devices.

**Easily manage your Capital Electric account right from your computer or smart phone.**

Existing eBill users are now being automatically redirected to the online SmartHub.

For mobile access, download the free app in the Apple App Store or Android Marketplace.

With SmartHub, the power of data is in your hands through convenient account management and detailed usage information. SmartHub, a mobile and Web app, delivers accurate, timely account information and allows you to make payments in a secure environment with the touch of a button, right from your mobile device or on your PC. The two-way communication available with SmartHub allows you to notify us of account and service issues while providing us a way to let you know about special offers, programs, events and more.

SmartHub is a product of our software provider, National Information Solutions Cooperative (NISC).

**Download the FREE app today for secure account management right at your fingertips.**
